

Please join in our LIFEtogether sessions which are designed to encourage and equip us in “Living In Faith Everyday”. These sessions are a mixture of adult education and community building events for the whole family. Details of these sessions can be found in the Willowdale Weekly. Each of the scheduled events is designed to help us grow in our faith and equip us to live “all of life” to the glory and honour of God. Through LIFEtogether we begin to live into our mission to “equip ourselves through: attentive listening to God’s Word, diligent prayer, focused study and training, to serve Jesus Christ, and our neighbours”. Please come to our LIFEtogether events as they resume in the Fall 2010.
